

FOUNDING PARTNER PROSPECTUS

Red Rock Island Vibe

Your brand across the ticketing & guest journey

Saturday · August 8, 2026

Pecan Valley Resort & Water Park · Hurricane, Utah

THE OPPORTUNITY

Your brand, all the way through the guest journey

Every guest who buys a ticket moves through the same digital path — they browse the event listing, check out, land on a confirmation screen, and keep a receipt email in their inbox. A Founding Partner's brand can appear at each of these steps. This digital presence runs alongside the on-site signage, social, and naming-rights benefits already in your partnership package — it does not replace them.

PRE-EVENT MARKETING

Your brand before the gates open

The official event creative carries partners too. Used across every pre-event touchpoint through August 8 — social, print, and on-site — it places the Title Partner in the header beneath the Pecan Valley Resort lockup, with a partner row along the footer for the supporting levels.

Red Rock Island Vibe event key art. Title-sponsor lockup in the header; partner logos along the footer.
